Sir:

Applicant, through his undersigned counsel, hereby submits this response to the Office Action mailed July 13, 2004.

IN THE CLAIMS

Please enter the following claim amendments:

- 1) (amended) An apparatus for efficiently storing items for retrieval and distribution so as to reduce storage space and increase retrieval efficiency, comprising:
 - a. A plurality of uniformly shaped containers adapted to be used for storage of items wherein the containers are generally rectangular in a horizontal cross-section and comprise a front wall, a back wall and two side walls, and are generally rectangular in a vertical
